Segment wise Revenue, Results and Capital Employed

Based on the "management approach" as defined in Ind-AS 108 - Operating Segments, the Chief Operating Decision Maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments. Accordingly, information has been presented along these business segments which have been defined based on the geographical presence of various entities:

APMEA (Asia Pacific, Middle East and Africa)
Europe
Others

APMEA segment includes manufacturing and sales operation through India and include entities in UAE, Thailand, Malaysia and South Africa. Europe segment includes manufacturing and sales operation through the entities in Europe. Others segment includes sales operations in Americas and all other corporate entities.

The accounting principles used in the preparation of the consolidated financial statements are consistently applied in individual entities to prepare segment reporting.
