

## **Product Stewardship Policy**

### **Policy**

Apollo Tyres Ltd. (ATL) designs its goods and services taking in view a life cycle approach from design, use to final disposal. We strive to deliver products of the highest level of quality with the lowest possible negative impact on human health and environment. In order to achieve this, ATL shall:

- 1) Comply with all applicable laws and regulations.
- 2) Assure safety and optimal resource use over the life-cycle of the product, and in the furtherance of this objective disseminate and promote awareness of the responsibilities to everyone connected with it throughout the life cycle of the product.
- 3) Provide relevant information about our products to customers, distributors, suppliers and other stakeholders to promote safe usage (and post life cycle disposal) of products.
- 4) Consider health, safety and environmental impacts in the innovation, design, development, manufacture and use of products.
- 5) Monitor and continuously improve the environmental, health and safety performance of our products and processes with employment of new technology, and in doing so, factor in social, ethical, and environmental considerations.
- 6) Promote sustainable sourcing and consumption, including recycling of resources and waste. The Company promotes recycling and environmental friendly disposal by consumers at the end of the life cycle of its products.
- 7) Recognise and respect traditional knowledge other forms of intellectual property rights, and take steps to procure goods and services from local and small producers.

### **Applicability**
