### 1.3 Notes to the financial statements

### **GENERAL**

The financial statements have been prepared in accordance with Part 9 of Book 2 of the Dutch Civil Code, in conformity with the Guidelines for Annual Reporting for small enterprises.

#### Company

Apollo Tyres (Greenfield) B.V., a private limited liability company based in Amsterdam, the Netherlands has been registered at the Chamber of Commerce under file number 60817283.

#### Activities

The activities of Apollo Tyres (Greenfield) B.V., having its registered office at Amsterdam, the Netherlands primarily consist of:

- Holding activities
- Financing activities

The actual activities are carried out at Ir. Schiffstraat 370, Enschede, the Netherlands.

#### Group structure

The company is part of a group, headed by Apollo Tyres Limited, an Indian stocklisted company, with registered address at 3rd Floor, Areekal Mansion, Panampilly Nagar, 68203 Kochi, India.

#### Consolidation

The Company does not hold a substantial interest in the equity of its participation and does therefore not require to present consolidated financial statements.

#### Impairment of fixed assets

At each balance sheet date is judged whether there is any indication that an asset may be subject to impairment. If any such indication exists, the recoverable amount of the asset is determined. An impairment is recognized if the carrying amount of an asset is greater than its recoverable amount, the recoverable amount is the higher of net realizable value and value in use.

### Financial instruments

Financial instruments include both primary financial instruments, such as receivables and liabilities, and financial derivatives. Reference is made to the treatment per balance sheet item for the principles of primary financial instruments.

The notes to the specific items of the balance sheet disclose the fair value of the related instrument if this deviates from the carrying amount. If the financial instrument is not recorded in the balance sheet the information on the fair value is disclosed in the notes to the 'Off-balance sheet incorporated rights and obligations'.

### 1.3 Notes to the financial statements

### **Estimates**

The preparation of the financial statements requires management to make estimates and assumptions that influence the application of principles and the reported values of assets and liabilities and of income and expenditure. The actual results may differ from these estimates. The estimates and the underlying assumptions are constantly assessed.

### Currency

The annual accounts have been prepared in Euros. Receivables, debts and obligations in foreign currencies are converted at the rate as of the balance sheet date. Foreign currency transactions during the reporting period are processed in the annual accounts at the settlement rate. Any rate differences are incorporated in the profit and loss account.

### Proposed appropriation of result for the financial year 2019/2020

The board of directors proposes to the general meeting that the result for the 2019/2020 financial year, amounting to EUR 7,896 (2018/2019 EUR -12,594), should be transferred fully to other reserves and that no dividend should be paid.

This proposal has already been incorporated in the financial statements.

#### Subsequent events

No major post balance sheet events affecting the financial statements have occurred to date.

### Estimation of uncertainties relating to the global health pandemic from COVID-19

The outbreak of Coronavirus (COVID-19) pandemic is causing disturbance and slowdown of economic activity throughout the world and is impacting operations of the businesses, by way of interruption in production, supply chain disruption, unavailability of personnel, closure of production facilities etc. The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of, investments, loan receivables and other current assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources on the expected future performance of the Company. Based on current indicators of future economic conditions, the Company expects the carrying amount of these assets will be recovered.

### **BALANCE SHEET VALUATION POLICIES**

### General

Valuation of assets and liabilities and determination of the result take place under the historical cost convention. Unless mentioned otherwise at the relevant principle for the specific balance sheet item, assets and liabilities are presented at face value.

## Financial fixed assets

### Participations in associated companies

Participations in associated companies in which no significant influence is exerted on business and financial policies are valued at acquisition price, less any impairments.

### Receivables

Upon initial recognition the receivables are recorded at the fair value and subsequently valued at the amortized cost. The fair value and amortized cost equal the face value. Provisions deemed necessary for doubtful accounts are deducted. These provisions are determined by individual assessment of the receivables.

### Cash at bank and in hand

Cash at bank and in hand is valued at nominal value and, insofar as not stated otherwise, is at the free disposal of the company. Cash at bank and in hand relate to immediately due and payable withdrawal claims against credit institutions and cash resources.

## **Current liabilities**

Current liabilities concern debts with a term of less than one year. Upon initial recognition the current liabilities are recorded at the fair value and subsequently valued at the amortized cost.

### 1.3 Notes to the financial statements

### PRINCIPLES FOR THE DETERMINATION OF THE RESULT

#### General

The result is the difference between the realisable value of the goods/services provided and the costs and other charges during the year. The results on transactions are recognised in the year in which they are realised.

Profit or loss is determined taking into account the recognition of unrealised changes in fair value of: investment property, securities included in current assets and derivative financial instruments not designated as hedging instruments.

## Gross margin

The gross margin represents the spread on the financial income for to the year.

#### Operating costs

Costs are attributed to the financial year to which they relate. Profits are accounted for in the year in which services have been performed. Losses are assumed in the year in which these are foreseeable.

#### Taxation

Taxation is based on the result in the annual accounts, taking into account tax losses from previous years and the permanent differences between the profit calculation according to the annual accounts on the one hand and according to profit calculation for tax purposes on the other hand. The calculation is made at the current tax rate.

### PRINCIPLES FOR THE PREPARATION OF THE CASH FLOW STATEMENT

The Company takes advantage of section 360.104 of the Richtlijnen voor Jaarverslaggeving and does not prepare a cashflow statement as the consolidated financial statements of Apollo Tyres Ltd. are publicly available on the internet.

## 2. Other information

## 2.1 Independent auditor's report

In accordance to the Guidelines for Annual Reporting for small enterprises the Company does not require an external audit.

## 2.2 Statutory rules concerning appropriation of result

Article 33 of the articles of association stipulates the following with regard to the appropriation of the result:

The General Meeting shall be authorised to allocate the profits that have been determined through the adoption of the Annual Accounts or to determine how a loss will be accounted for.

A deficit may only be applied against reserves maintained pursuant to the law to the extent permitted by law.
